## MESSAGE FROM THE PRESIDENT & CEO

Dearest Sponsors and Supporters,

Thank you for attending the 3rd Annual Keyano Huskies Golf Tournament. Your contributions and support of this tournament directly impact the Huskies Athletes' student experience.

The annual Keyano Huskies Golf Tournament allows us to showcase our appreciation while enjoying a fun afternoon of golf and camaraderie. We are excited to host this year at the Fort McMurray Golf Club – I hope you enjoy the breathtaking views as you engage with our staff and students.

To our presenting sponsor, AirCon, thank you for the continuous support of our Huskies Athletics programs. We hold your sponsorship and continued generosity for Keyano College in high regard.

To all our sponsors and golfers, your belief in our student-athletes potential and commitment to the growth of athletics in our college community is deeply appreciated. Your contributions to this year's tournament will empower our athletes, enabling them to succeed both on the court and in the classroom.

To our many staff volunteers and the organizing committee, led by Jeremy Wielenga and Chantal Beaver– thank you for your commitment to our students and your belief in empowering these young athletes to reach their fullest potential.

Today, all of us – no matter our role, are here because we believe in the transformative power of student athletics. With that, I say again - thank you.

Go Huskies!

**Jay Notay**  
President & CEO  
Keyano College

## MESSAGE FROM THE TITLE SPONSOR

Welcome Golfers,

It is my pleasure to welcome you all to the 2023 Huskies Athletics Golf Tournament. We are so pleased that this is our second year as title sponsor.

We hope this will be a positive experience for you all. With your support of Keyano College, together we are able to provide opportunities to students who might not otherwise be able to pursue higher education.

Look around and enjoy your spectacular surroundings here at the Fort McMurray Golf Club. As you make your way around the course, take a minute to have a conversation with the students, and staff volunteering.

I hope you all have fun and fellowship with your golfing partners, community members, and friends.

Cheers

**Liam Burgess**  
President & CEO  
Aircon

The logo for Aircon features a stylized white wave icon to the left of the word "AIRCON" in a bold, white, sans-serif font.

## MESSAGE FROM THE ATHLETICS & RECREATION DIRECTOR

I would like to extend my sincerest gratitude to each participant for choosing to be here today. Your unwavering support holds immeasurable value for our dedicated student-athletes, ensuring their triumphs not only within the academic sphere but also in the realm of their competitive sports.

Furthermore, I would like to extend my heartfelt appreciation to AirCon Technologies of Fort McMurray for their instrumental partnership as the title sponsor of this remarkable event. To all the sponsors who have generously lent their support, your contribution resonates deeply, and we are profoundly thankful for the continuity of your financial endorsement.

From the start of Huskies Athletics in 1985 to the present, our Huskies have consistently surged forward in the pursuit of athletic excellence. These accomplishments woven through these years finds vivid representation in the array of banners on our walls. Events such as this fundraiser are pivotal in upholding our illustrious legacy, steering it into a new era of collegiate sport.

As we gather here for the 2023 Huskies Athletics Golf Tournament, I wish you experience an exceptional day and interact with our committed coaches and student athletes. Anticipation grows for the upcoming 2023-24 season, when we eagerly await the chance to reconnect in person at our basketball/volleyball home games at the Syncrude Sport & Wellness Centre and at our soccer home games at MacDonald Island.

Together, we will continue to foster an unyielding spirit of pride on our Keyano campus and throughout our RMWB community – united under the banner of "Pride in the Pack."

Yours in Education & Athletics,

**Jonathan Lambert**

Director, Athletics & Recreation  
Keyano College
