Academic Integrity

Academic integrity is the fundamental basis that all participating post-secondary institutions have built their reputation on. Alberta Deans of Business Case Competition will be governed with equivalent rigor towards academic integrity.

Academic integrity involves honesty, responsibility, trust, fairness and respect. It is expected of all participants in this competition to act with the highest level of integrity and represent themselves, their team and their college in the best possible way. Cheating, plagiarism, and other non-conforming means of gaining an unfair advantage will be looked upon as violating the spirit of competition and the policy of academic integrity.

I promise to participate in the 2025 Alberta Deans of Business Case Competition, respecting and abiding by the rules which govern it. My participation in this competition will be in the true spirit of collegiality, academics, and pursuit of representing myself, my team, and my college the best that I can.
