## Program of Study: Business Administration Accounting Co-Op Diploma

This diploma program consists of four 4-month terms, plus one 4-month term after Year 1 for the co-op work term. To graduate at the end of four 4-month terms, students must successfully complete all courses listed for each term (also known as Full Load).

**Graduation:** Students with a passing grade in each course, who successfully complete the program of study and obtain an overall Grade Point Average of 1.7 or better shall be issued a diploma. **Grades of D may impact your eligibility to graduate.**

**Transferability:** For information on transfer to various post-secondary institutions, please refer to the Alberta Transfer Guide at [transferalberta.alberta.ca](http://transferalberta.alberta.ca). Please note that every institution has its own policy regarding minimum grades needed for transfer credit.

Based on the number of credits required in an academic year, the number of credits required to reach Full Time (FT) status can vary.

- The six-week Spring term is an opportunity to take courses on offer that you may have missed.
- Students can only be Part Time in Spring.

**You may reduce your course load and do fewer courses per term, but it will take you longer than four terms to graduate and you will incur additional costs.**
