1. **Check for time conflicts.** In Self Service, after you have more than one course in your cart, select **View Cart**

2. Within the Cart, click on **View Schedule** to check for time conflicts.

- A time conflict will be visible because two courses are squeezed together in the same box on the grid:

- If there is a time conflict, you will have to choose which course has priority, and drop the other. If there is no course conflict, continue.
- Back in the Search Sections view, see if there is another section of your course that will not have a time conflict.
- Continue to add courses, checking for time conflicts after each addition.

Please see next page for Program of Study guide.
