

Registration Guide 2024-2025

The information in this Registration Guide is accurate at the time of publication and is subject to change without notice. It is the students' responsibility to ensure the accuracy of their program and course choices. This Guide should be used along with the official version of the Keyano College Credit Calendar (keyano.ca/creditcalendar).

Self Service instructions, including a Frequently-Asked Questions & Troubleshooting document, can be found here: [Course Registration - Keyano College](#)

If you choose not to follow the course sequence in your Program of Study, you might not complete the required courses in time to graduate. Please see the program of study table with prerequisites listed for each course, to determine your progress toward graduation. Prerequisites are established to ensure students have the academic foundation to be successful in their courses.

The following SECTION codes are reserved for specific programs. If you register for these sections when you are not in the program, additional charges may be added to your account.

Business Administration:

- **BAV & BVHF** are reserved for **Business Aviation Diploma**
- **ES & ESHF** are reserved for **eSport Management Diploma**
- **HR & HRHF** are reserved for **Human Resource Management Diploma**

Childhood Studies:

- **ABLD & EBLD** are reserved for **Applied ELCC Diploma**

University Studies:

- **GOV** is reserved for **Governance & Civil Studies Diploma**
- **NURS** is restricted to **Bachelor of Science in Nursing Degree**
- **PN** is restricted to **Practical Nurse Diploma**
- **SOWK** is restricted to **Social Work Diploma**

These sections will be removed from the schedules of students not in the programs for which they are reserved.

Multi-Part Courses

If your course includes a laboratory, tutorial, clinical, or practicum, please register for ALL required parts, and choose matching section codes.

For example:

- BUS111 lecture A **and** laboratory A
- CHEM101 lecture B **and** laboratory BL **and** tutorial BL1

Please Note: All schedules are tentative and subject to change until the [last day to add/drop classes](#) each term.

It is the student's responsibility to check for time conflicts in the registration process.

2. Within the Cart, click on **View Schedule** to check for time conflicts.

- A time conflict will be visible because two courses are squeezed together in the same box on the grid:

- If there is a time conflict, you will have to choose which course has priority, and drop the other. If there is no course conflict, continue.
- Back in the Search Sections view, see if there is another section of your course that will not have a time conflict.
- Continue to add courses, checking for time conflicts after each addition.

Program of Study: BSc Engineering Year 1

This transfer program consists of two 4-month terms. To be eligible to transfer to Year 2 at the University of Alberta at the end of two 4-month terms, students must successfully complete all courses listed for each term (also known as Full Load).

Students interested in transferring to the University of Calgary or another university should consult with the Chair or a Student Advisor. Transfer arrangements to an engineering program at institutions other than the University of Alberta are the responsibility of the student.

Minimum grade of C- is required for transfer to the University of Alberta, and/or pre-requisite for the winter semester courses.

Successful transfer is based on credit hours completed, grade point average (GPA) for the common first year courses, and other requirements. The grade point average (GPA) required to enter a specialization in second year varies; some specializations are more competitive than others and may require a higher grade point average for transfer.

Based on the number of credits required in an academic year, the number of credits required to reach Full Time (FT) status can vary.

BSc Engineering students cannot be Part Time.
