## MESSAGE FROM THE INTERIM PRESIDENT

Dear Sponsors and Supporters,

Thank you for participating in the 4th Annual Keyano Huskies Golf Tournament. Your involvement has a direct and meaningful impact on the lives of our Huskies Athletes, enhancing their experience both on and off the field.

Today is about more than just a game of golf. It's an opportunity to express our gratitude for your ongoing support. We're delighted to host this event at the Fort McMurray Golf Club, and I hope you enjoy the beautiful course and the chance to engage with our Huskies Athletes and entire college community.

I want to extend a special thank you to our presenting sponsor, AirCon Technologies. We deeply value your consistent support of our Huskies Athletics programs over the past four years and appreciate your commitment to Keyano College. To all our sponsors and golfers, we greatly appreciate your belief in our student-athletes and your dedication to their growth. Your contributions today help empower our athletes to succeed in their academic and athletic endeavors.

A sincere thank you also goes to our staff volunteers and the organizing committee, led by Chantal Beaver, Tyneille Neufeld, and Jeremy Wielenga. Your hard work and dedication to our students make events like this possible, and we're grateful for your commitment to their success.

We're all here because we believe in the positive impact that athletics can have on our students' lives and society as a whole. Thank you for being part of this journey with us.

Go Huskies!

**Dr. Sandra Efu**  
Interim President  
Keyano College

## MESSAGE FROM THE TITLE SPONSOR

Welcome Golfers,

It is my pleasure to welcome you all to the 2024 Huskies Athletics Golf Tournament. We are so pleased that this is our second year as title sponsor.

We hope this will be a positive experience for you all. With your support of Keyano College, together we are able to provide opportunities to students who might not otherwise be able to pursue higher education.

Look around and enjoy your spectacular surroundings here at the Fort McMurray Golf Club. As you make your way around the course, take a minute to have a conversation with the students, and staff volunteering.

I hope you all have fun and fellowship with your golfing partners, community members, and friends.

Cheers

**Liam Burgess**  
President & CEO  
Aircon

## MESSAGE FROM THE ATHLETICS & RECREATION DIRECTOR

On behalf of Keyano Huskies Athletics, I would like to extend my sincerest gratitude to each participant for choosing to be here today. Your unwavering support holds immeasurable value for our dedicated student-athletes, ensuring they can succeed in the classroom and in their chosen sport.

Furthermore, I would like to extend my heartfelt appreciation to AirCon Technologies of Fort McMurray for their instrumental partnership as the title sponsor of this remarkable event. To all of the sponsors who have generously lent their support, your contribution resonates deeply, and we are profoundly thankful for the continuity of your financial endorsement.

From the start of Keyano Huskies Athletics in 1985, our Huskies have consistently surged forward in the pursuit of athletic and academic excellence. These accomplishments woven through the years finds vivid representation in the array of banners on our walls, including our first CCAA National Championship this past season in addition to three more ACAC Championships and six new ACAC medals.

Events such as this fundraiser are pivotal in continuing our illustrious legacy. As we gather here for the 2024 Huskies Athletics Golf Tournament Presented by AirCon Technologies of Fort McMurray, I encourage you to interact with our exceptional coaches and student athletes.

Anticipation grows for the upcoming 2024-25 season, when we eagerly await the chance to reconnect in person at our basketball/volleyball home games at the Syncrude Sport, Wellness Centre, soccer home games at MacDonald Island, and Esports competition at the SMG Esports Arena. Together, we will continue to foster an unyielding spirit of pride on our Keyano campus and throughout our RMWB community – united under the banner of "Pride in the Pack."

Yours in Education & Athletics,

**Jonathan Lambert**  
Director, Athletics & Recreation  
Keyano College
